Tranquilo Bay is an all-inclusive, luxury adventure lodge on the pristine island of Bastimentos in Bocas del Toro, Panama. This secluded destination caters to travelers seeking off-the-beaten-path vacations filled with adventure and fun. Nestled among 68 gorgeous tropical islands that make up the archipelago Bocas del Toro, Tranquilo Bay offers guests the chance to experience a variety of outdoor activities: hiking, kayaking, fishing, birding, snorkeling, scuba diving, swimming, relaxing on the beach, surfing and exploring rainforests.

Accommodations

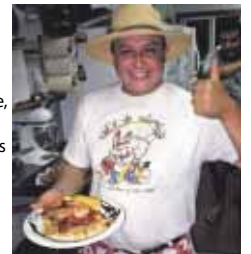

The secluded lodge includes six deluxe cabanas and a main lodge. Tranquilo Bay's air-conditioned, hand-crafted cabanas boast comfortable bedding with fine linens and gracious bathrooms complete with granite counters and plenty of amenities to make your stay relaxing. Each is tastefully decorated with art and beautiful furnishings hand-made exclusively for Tranquilo Bay by local artisans in farm-grown hardwoods. The location of each cabana was carefully selected to capture the essence and natural beauty of Bocas del Toro, while having a minimal environmental impact.

Do you prefer breathtaking ocean vistas or a verdant tropical jungle oasis? The choice is all yours. The beautifully constructed main lodge is the centerpiece of the lodge. This building features a wrap-around porch, and is where guests assemble for fine dining and evening cocktails.

Service

Because of the lodge's small size, the staff is able to provide unparalleled personal attention to each guest.

Food

Tranquilo Bay specializes in offering guests fine cuisine in a casual, tropical environment. The mouth-watering menus feature delicious, local ingredients such as avocados and hearts of palm. Each day a unique menu is developed, based on the availability of the freshest foods. Breakfast offerings include Panamanian coffee, a selection of tropical juices, fresh local fruits, homemade breads or muffins, your choice of eggs and a daily breakfast entree. Delectable lunches are packed for those partaking in offsite activities. And for guests remaining onsite, we have a choice of salads, sandwiches and soups. Anytime you need a snack, you can always get one. Just let the staff know what you crave, and we will provide you with a little something to tide you over until the next meal. Snack baskets are also provided in each cabana. Prior to dinner each night, the lodge hosts a cocktail hour to watch the sunset and enjoy delicious appetizers. All meals and select beverages are included with the packages. You can choose from a variety of non-alcoholic beverages (such as fruit juices, water and sodas), Panamanian beer, Panamanian rum and South American wine.
