

# Welcome to the World of EcoAdventures

**E**coAdventures, Inc. was established in 1992 by a group of dedicated travel professionals who collectively represent over 75 years of travel industry experience, and who share the belief that ecologically responsible tourism will heighten awareness of global ecological issues and further the efforts to preserve fragile and endangered ecosystems. EcoAdventures specializes in customized, individual itineraries and small groups that minimize the ecological impact of tourism on the areas visited. It is our belief and hope that the growing economic sector of ecotourism will replace more exploitative economic pursuits.

**O**ur staff has been to all of the destinations featured in our brochures, usually more than once. This firsthand knowledge assures an expertly planned tour. We are also dedicated to high quality services and believe in a healthy mix of enjoyment and education.

**E**coAdventures customizes tours to exactly suit the wants and needs of the individual. All of the tours in this brochure are priced for as few as one or two travelers, offer the selection of several hotel price levels, and can be modified as desired. The traveler benefits from the attention and assistance of our representative offices, while still enjoying a high level of choice and freedom.
